Pre-Registration

Pre-registration papers were due January 21st. Today request #2 is being sent home with the students of those families that did not return the paperwork. Please take a minute to complete the form and return it tomorrow.

Sock Hop Decorations Meeting

We will have another decorating meeting on Wed Feb 3 at 6:30 in the commons. At our first meeting, we came up with some great ideas! Now we need to divide and conquer! We will review the brainstorming and prioritize and schedule the decorating that will lead up to the Sunday, March 7 event. Aside from festive decorations, our plans for that day include a song-list of mixed music from the 1950's through today, a costume contest for the best dressed from each decade, root beer floats and other yummy treats, and maybe a fun activity that would raise a little money for the Tuition Assistance Fund. We have commitments from 10 volunteers, but will need more to step forward in order to pull it all off. Please consider donating some time, either in preparation or during the event! Email Laura with any questions or suggestions: slselenka@gmail.com. And plan to attend the FCE meeting on Tues Feb 9, where we'll provide more updates. Thanks!!

Jump Rope for Heart

Permission slips were due today. Envelopes are due next Monday, Feb. 8, if you wish a heart on the wall in honor of a loved one. Next Wednesday, Feb. 10, is our big event!

Go Eagles!

Friday, Martin Luther hosts St. Peter, Appleton at 4:30, 5:30 and 6:30. Come cheer for your Eagles!

Jr. Choir

Thank you, choir members, for all the extra hard work and dedication you delivered this past month to make yesterday so successful. Thank you, parents, for the extra time you gave to allow the extra practice. We will now resume our regular Wednesday practices only. We do sing, though, on Wednesday, February 17, for the 6:30 p.m. Ash Wednesday service. Plan to meet by 6:10 p.m. in Room 6. We also sing on Sunday, Feb. 28 at Bethlehem Lutheran in their 9:15 a.m. service.

Friends for Christian Education

Make plans now to attend the quarterly FCE meeting on Tuesday, February 9th. Come at 6:00 for Dollar (hot) Dogs and all the fixin's; the meeting starts at 6:30 sharp! See you there.

Eagle Art

We are having a contest to decorate our halls with Eagles. The children are all participating and it is being done in the classrooms. All eagles will be displayed in the hall to show our school spirit as we conclude our home basketball games this week and next. The winners will be announced at the pep assembly on Friday afternoon at 1:45. Each grade will have a winner and the winners will receive a coupon to use at the canteen. Come and cheer on the Eagles and show your school spirit.

Classroom News

Mr. Schulmeister

This week we have a Science test on Tuesday. After going back over different concepts in math we have a test on Monday to check how well the concepts have been learned. We are still collecting money for the "Children feeding Thousands" program, and after last Thursday our class has collected enough for 1,300 meals!!! Please encourage your child to continue to give to this great cause and remember each meal is only 15cents. Students have book orders and should be returned by February 10.

Mr. Hennig

This past Friday we took a closer look at understanding latitude and longitude. The class was also introduced to an application called Google Earth. This week we wrap up our chapter in science and will have a test early next week. On Friday both classes have a math test.

Mrs. Werner

This Friday, February 5, is Fun Friday. The school is celebrating it by having Color Day. Our class color is **blue** so make sure you wear blue on Friday. Looking ahead: Grade 4 has a test on Little House on the Prairie on Tuesday, Feb. 9.

Mrs. Busse

We will be having a spelling test on Friday. In Reading class we will begin working on the biography of Helen Keller. Please be sure your child has all of the outdoor clothing necessary for outdoor play. We have been in for awhile due to cold weather but it should be warming up again soon. Thank you! Have a great week!

Mrs. Strusz

Remember that the Jump Rope for Heart permission slips were due back today. Please come and see me if you need another copy. This Friday we will be celebrating our 100th day of school. I will be sending home a large zip lock bag to fill with a collection of 100 things. Friday is also color day; first grade is yellow. We have talked in school about not having to dress in yellow from head to toe; just bring something that has yellow on it. Watch for February's memory work calendar and book orders. Have a blessed week in the Lord!

Mrs. Frederickson

We will not start a new letter until Wednesday this week. At that time we will start the letter N. Please bring in things that begin with the n sound like noodles, nickels or news. We will finish the first part of the week with the letter R, so r things can come in yet.

This is a very busy week. We have our field trip to The Building for Kids on Tuesday. We get our McDonald's lunch on Wednesday because we can all tie our shoes. We will be celebrating our 100th day of school on Friday. Please read the separate note in your child's folder regarding day number 100. There is a lot of information in that note about some other things as well. Please turn in your child's permission slip for Jump Rope for Heart.

We sing in church on Feb. 20 in the 5:30 service. Please plan on attending that service.

Mrs. Berg

It was wonderful to meet all the three year old parents at round up. I look forward to getting to know your children at our visitation day on March 11th. This week is our field trip to Appleton, please be sure to bring a disposable lunch and drink. We will have coolers to put our lunches in. Also, please keep in mind our student with nut allergies as we will be in close contact for lunch. Thank You! We will return at 12:45a.m. A student list will also be coming home this week if your child would like to bring valentines to exchange.

Mrs. Hennig

February is color month! I can't wait to see how colorful we can be! Our color of the day for Tuesday is brown and for Thursday is blue. Parents-a big THANK YOU for signing up to bring matching treats. Our Bible story this week is "Jesus Helps His Friends Catch Fish". Looking ahead, we will have a small Valentine's party next Tuesday and if your child wishes he/she can bring in Valentines for the class.
