Worship	8:00 & 10:30						5:30
B-Team Boys' BB		2:45-4:15				2:45-4:15	

Help for the Homeless

Martin Luther School is participating in Help for the Homeless, a program to help our area shelters. Some of the NEW items needed are: laundry soap, cleaning supplies, garbage bags, paper towels, bathroom tissue, feminine needs, diapers and baby hygiene items, hair care, soap, deodorant, first aid and dental care. All the items donated in our collection box will stay in Winnebago County. Next time you're shopping, pick up an extra toothbrush or bottle of shampoo and drop it off in the box in the entryway, someone will be very thankful that you did.

Volleyball

Attention volleyball enthusiasts!! A coed volleyball tournament will be held at WLA, March 13 & 14. All congregational members and alumni invited. See WLA web site for details and how to register.

Yearbook Orders and Picture Day

Yearbook order forms were sent home last week and are due back to the office today.

Spring picture day is coming soon. Lifetouch will be here on March 11 & 12 to take spring portraits. They will also take sports pictures. All players will be included in the team photo, but individuals portraits are optional. All portraits need to be ordered on the pre-pay envelope that will come home with students in a week or so. If you order sports photos, be sure to fill out a separate order form; one check for everything is fine. We'll need one or two parent helpers each day; if you're able to do that, please let Mrs. Bates know as soon as possible. Thank you.

Thank You

Thank you to all who volunteered and helped out with donations of food and time working in the cafeteria for our Girls A-team tournament. All of you helped to make the tournament a success.

Basketball Tournament

Your Eagles' 'B' teams will be playing in a tournament Saturday, February 27, at Mt. Calvary in Menasha. Check with the coaches or players later in the week for game times and come cheer on your Eagles. GO EAGLES!

Visitation Day

Thursday, March 11th, will be Visitation Day for PreK3, PreK4 and Kindergarten students. Current students will advance a grade for the morning and any incoming or interested students will join them. Parents are invited to join a special Moms' (and Dads') Group while the kids are in class. Parents and kids will meet again at 11:00 for lunch. More information will be sent out this week. Please share this information with anyone you know that may be interested. Call the office with questions or to RSVP for the day.

Jolly Jester Theater

The Oshkosh Rec. Department and the Jolly Chester Theater present Hee Haw Hayride at Oshkosh West HS on Saturday, Feb. 27, at 2:00 and 7:00. Adults, \$4; children/seniors \$2 at the door.

Classroom News

Mr. Schulmeister

This week we are finishing up our look at the different regions of the United States, and will have a test on Friday. This week we will be doing some review in math to help strengthen the concepts that we have just had in class. This Friday all book reports are due. The 7th graders have a trip planned to visit Fox Valley Lutheran in Appleton on March 4th, please sign the permission form and have your child return it as soon as possible.

Mr. Hennig

This week the class continues to work on their survival journal for reading. We have begun our study of ancient Mediterranean civilizations. The Greek civilization is the first of which we will learn about. We now have begun our study of earth science and currently are studying the surface of the earth. The quarter ends on March 12 so keep working towards your AR goals.

Mrs. Werner

Please note that the hymn that is due on Wednesday is a little longer and will probably need parental help to get it learned. Grades 3-4 are each starting a new paperback in Reading today. That's all the news for this week!

Mrs. Busse

We will have a spelling test on Wednesday. Look for and AR goal update to come home today. Everyone is doing a fantastic job of working on their goals. Keep up the good work! We have collected enough money to purchase a total of 804 meals for Children Feeding Thousands. Our classroom goal is 1200 so we are getting very close. Thank you for supporting this mission project. We are running low on granola bars, if you would like to donate some we would really appreciate it.

Mrs. Strusz

Thank you for sending in your spare change. We've gotten a second wind and are now close to 900 bowls! We are studying Ruth in Christ Light and how she trusted in the Lord. We will review how to count by tens from any number in math, how to tell time to the half hour, and how to trade pennies for dimes. In reading we will learn different ways to make the long /o/ sound. In music we will finish up our lessons on the instruments of the orchestra and will start playing an interactive game from Carnegie Hall. Have a blessed week in the Lord!

Mrs. Frederickson

Thank you parents for having your children at church to sing on Saturday evening. Our letter this week is P. Please bring in things that begin with the p sound like pickles, potatoes or plates. We will be doing a short unit on magnets in science. We will also be having a game day on Friday afternoon. Please let your child bring a game to share with the class. Your child must know how to play the game so he/she can give the directions. We will be working on counting dimes up to \$1.00 this week. Our store will be open on Friday so the children can buy something using dimes. Book orders are coming home today and should be returned by Tuesday, March 2.

Mrs. Berg

Thank you students for all the wonderful Valentine greetings and goodies!!! They WERE scrumptious! Thank you also for the fantastic job singing our Lord's praises in church Saturday night! This week new letter M, numbers #4 & 5 and our first test!!!! Also this week we begin a unit on bears and our comparison of the many versions of "The Three Bears!". Then of course Thursday is our big day – We are going on a bear hunt! Please send along a flashlight with your child Thursday! (If they have one)

Mrs. Hennig

Thank you to all who were able to make it to sing in church on Saturday. The children did an excellent job using their voices to share the good news about our Savior. This week is our last week of colors. We will have purple day on Tuesday and orange day on Thursday. Thank you once again parents for bringing colored treats and juice. Our Bible story will be "Jesus Brings a Dead Girl to Life" and we will continue to work on our song for Christian Education Sunday.

Memory Work

Grades 7-8

Wed – Hymn 234 st 1-4
