

## Asthma Inhaler Administration Authorization Form

Student's Name	Date of birth	Grade
----------------	---------------	-------

Diagnosis \_\_\_\_\_

In order for the student to receive the asthma relieving medication for asthma:

- Asthma inhaler administration authorization form will be completed and signed by parent and medical provider. Form will be given to school district administrator or school nurse.
- Asthma inhaler medication will have student's name, name of medication, directions for use and date.
- Authorization of asthma relieving medication will be updated annually.

The student has the skill, knowledge and my authorization to use an asthma relieving medication in the following manner:

- Self-administer asthma relieving medication. Student will seek the care of the school personnel if medication is unsuccessfully controlling his/her asthma.
- Self-administer asthma relieving medication with access to another inhaler in the health office as needed. Parents will supply health office secondary inhaler.
- Student needs assistance with administration of their asthma relieving medication with the medication available as needed in the health office.
